

Buzz Off Dryness Trio

ORGANIC BODY BUTTER

Our Organic Body Butter checks all the boxes for the ultimate hand and dry skin cream for dry, cracked, over-washed, eczema-prone skin. Whether you're a handwashing hero like a teacher or a nurse, our Organic Body Butter rejuvenates skin with just one application. Organic Pumpkin Seed Oil and Safflower Oil penetrate all 5 layers of the epidermis, delivering essential fatty acids and vitamins A & E deep within the skin to truly hydrate and heal dry, cracked skin.

To Use: Apply a small dime-size amount to the driest areas of the body (hands, feet, elbows, etc) using a clean spatula for all day protection.

ORGANIC BODY OIL

Our Organic Body Oil is your go-to alternative to replace traditionally chemical-filled lotions with only organic, skin-loving ingredients to keep skin happy, nourished and glowing all day long. Made for full body applications and doubles as the perfect massage oil without the oily feel!

To Use: Apply a dime size amount to arms and legs, etc right out of the shower.

To use as a massage oil begin with a full pump.

ORGANIC BODY LOTION STICK

This is the ultimate hybrid of our Organic Body Butter and Organic Body Oil packaged in a super easy-to-apply twist up tube!

To use: Use stick to apply as needed for dry knuckles, eczema patches, and anywhere else needing a boost of hydration and protection!
